

ADVANCED NURSING EDUCATION FUND

Product Description:

Amref, with funding from Johnson and Johnson (J&J) Foundation, have partnered with the Higher Education Loans Board (HEL B) to set up the Advanced Nursing Education Fund. The Fund focuses on supporting and strengthening frontline health workers, through among other strategies training and education. It aims to bridge gaps in the training of Nurses and Midwives at the specialization level and targets the in-service health workers specializing in all medical courses.
