Re: Notice on Joint Diploma and Degree Programs offered between Amref International University and other institutions

Amref International University hereby informs its stakeholders and the general public that it does not presently offer any joint diploma or degree programs in collaboration with any other institution. The university is not engaged in any agreement(s) concerning examination arrangements with external entities.

For further details or clarification, please reach out to the University designated contact office of the Registrar – Academic Affairs through undersigned:

Timothy Mengich Sato

Deputy Registrar – Academic Affairs
