

AMREF INTERNATIONAL UNIVERSITY

AMREF INTERNATIONAL UNIVERSITY

A University for Primary Health Care

Amref International University (AMIU) is an accredited institution of higher learning focused on training in health sciences and is fully owned by Amref Health Africa.

AMIU is founded on the experience and intellect of Amref Health Africa, which is reputed with over 65 years of quality and innovative public and community health interventions, training and education.

AMIU has nurtured leaders and shaped the future of **public health practice** in Africa for over **40 years** under its predecessor Amref International Training Centre (AITC). We lead the way in health sciences education with a breadth of programmes.

We focus primarily on **health sciences** with a commitment to progressively develop **innovative programmes** catering to the present and future needs of African populations.
